The Method of Our Mission Prof. Lacey C. Warner, 2014-07-15 Theology shapes who we are and how we organize to transform the world. Especially written for required United Methodist classes, this accessible book uses a Wesleyan theological frame—connection—to help readers understand United Methodism's polity and organization as the interrelationship of our beliefs, mission, and practice. The book is organized into four parts—United Methodist beliefs, mission, practice, and organization. Polity and organization are primary embodiments of The United Methodist Church. Functional in nature, these aspects of the denomination facilitate our mission to make disciples for the transformation of the world. This book connects denominational governance and organization to our beliefs as well as our mission. A clear understanding of our identity—as Methodists with Wesleyan roots in connection—and our purpose—to make disciples for the transformation of the world—can help students of United Methodism navigate this treacherous landscape as present and future leaders. Warner also addresses the estrangement between theology and institutional structures and practice by framing governance practices and organizational structure within a Wesleyan theology of connection. This approach will assist current and future denominational leaders in understanding their practices of administration and participation in polity as a theological endeavor and key component of their ministries. This textbook has been updated with changes from the 2016 General Conference.

Our Mission Revealed Lloyd R. Spanberger, 2014-07-26 It was the early 1960s and our country was in the midst of the cold war with the Soviet Union. President Eisenhower had, earlier, decided to initiate development of a spy satellite system to obtain strategic intelligence data on the Soviets. A massive program was instituted to accomplish this goal and, as part of the overall program, the concept of an all-military facility to provide R&D support and duplicate imagery processing from these satellites, was ordered. This began the establishment of the AFSPPF, which operated for 15 years in that capacity. This story describes the mission of the AFSPPF and what it was like to work in an Ultra Top Secret operation, whose mission was not disclosed until now. No-one involved with our operation could talk about it to anyone, including family, friends or anyone else in the military, unless they were properly cleared and were amongst those who needed to know. All content herein was derived from the personal recollections of our remaining members and from what little official declassified documentation we could find. It is hoped the reader will enjoy learning what it was like to work in such a unique Top Secret unit of the U.S. Air Force. AFSPPF was an Air Force Headquarters unit created in 1961 to conduct the research and development (R&D) necessary to provide the best possible production equipment and techniques in support of special projects specified by the Secretary of the Air Force. There is no declassified documented record of the activity within the facility. The facility operated in a Top Secret, Black Ops mode throughout its entire 15-year lifetime. Aspects of the unit's mission evolved over time, however the mainstay was production, evaluation and distribution of classified imagery, from spy satellites and aircraft, to our nation's intelligence community, in a timely manner. The production and evaluation directorates, within the facility, also assisted with the many R&D projects in support of the overall national reconnaissance program. It was an exciting time for all of us. We not only provided the best photographic intelligence possible to our nation's leaders, but also had a lot of fun doing it. It was hard work and long hours, all with no individual recognition given. There was, however a degree of self-satisfaction involved. We knew and understood the objectives and often saw details of our advisory military capabilities that were never exposed to the public eye. The satellites and aircraft involved have now all been declassified and our mission can now be revealed, so all can see what really went on in such a Top Secret operation. This true story is not only about our mission, but about the unique, exciting and sometimes humorous

experiences of the people who did the work.

Love is Our Mission Archdiocese of Philadelphia, the Pontifical Council for the Family, 2015-01-22 Światowe Spotkanie Rodzin Filadelfi a, Pensylwania, 22-27 września 2015 r. „Rodzina, która doświadcza radości wiary, daje temu wyraz w sposób naturalny. Rodzina, to sól ziemi i światło świata; to drożdże życia społecznego”. -- Papież Franciszek, 27 października 2013 r. Światowe Spotkania Rodzin, zapoczątkowane za pontyfikatu św. Jana Pawła II, są radosnym świętem rodziny i wiary obchodzonym co trzy lata. Arcybiskup Filadelfi i Charles J. Chaput powiedziano, że spotkanie w roku 2015 „ma być podarunkiem nie tylko dla katolików w Filadelfi i, ale dla wszystkich ludzi dobrej woli na szerokim świecie”. We are called to acknowledge how beautiful, true and good it is to start a family, to be a family today... We are called to make known God's magnificent plan for the family... as we accompany them amidst so many difficulties. - Pope Francis, February 20, 2014 For Pope Francis, as for his predecessors Saint John Paul II and Pope Emeritus Benedict XVI, this is more than just talk. It is a rallying cry. This is the focus of the 2015 World Meeting of Families: Love is Our Mission: The Family Fully Alive. For Catholics everywhere, it is a time to renew our focus on the family, the domestic church - what it means, why it's important, how it fits in with God's plan for us, and how we can become who God created us to be. Here is a new, fresh, and insightful way to do just that. In Love is Our Mission, you can easily explore Catholic teaching on marriage, family, sexuality, children, human dignity, and the sanctity of life. It's a guided tour through scripture and 2000 years of Church teaching in which you are awakened to the relationship God wants to have with you, the family, and ultimately the world. Self-reflection or group discussion questions bring the teachings home in a very real and practical way. As Pope Francis has said, we must, keep before us the beauty of the family and marriage, the greatness of this human reality which is so simple and yet so rich...

Our Mission in Christ Andy Ziesemer, 2020-11-17 Too many believers have been told that knowing Jesus demands action, but still have no idea where to begin. Jesus commanded us to live differently in the world. He sent us on a mission to those around us. So where do we start? How do normal people live as missionaries every single day, abroad or in their own neighborhoods? In *Our Mission In Christ*, Andy Ziesemer (Zeez-mur) helps Christians prepare for a life on mission. This book will help you understand, prepare for, and then live out the mission you've been assigned. Living on mission wherever you are will result in changed families, communities, and cultures. Believers need to be equipped for the work so they can find the lost. This book is a practical guide for living out *Our Mission In Christ*, Becoming People who will change the World.

Our Mission Kenneth Schenck, 2015 Join New Testament scholar Kenneth Schenck on a journey through thirty days of deeper devotion in these crucial days for Christ's expanding mission. Each devotion will challenge you to engage, examine, and explore the Spirit's work in the church and in your life. *Our Mission*, a journey through Acts 13-28, tells the story of all that the Spirit of Jesus began to do and teach through the church's first missionary journeys, as Paul and others sought to take the gospel to uttermost parts of the earth.

Discovering our Mission and Purposes Rudolph Burdett, 2019-07-31 THIS IS NOT A BOOK ON EVANGELISM. As a Christian, we all have a mission. Also, as a Christian, we should implement purposes in our life. Everything that is made is made for a purpose. To use something other than what it is made for can be disastrous. This book talks about what can and will cause us to lose our mission and purpose. It also challenges us to allow others to see

Christ in us with specific traits that drive us and lead us to fulfilling our purposes. It offers a contrast to the cries of our secular society that reaches out and talks about what we need to do to discover our mission and purpose in Christ. Upon reading this book, a person will find out that many biblical characters experienced problems, but they continued in accomplishing their purposes and mission. In other words, they did not give up. We should not let anything hinder or cause us to quit.

We Evangelicals and Our Mission David J. Hesselgrave, Lianna Davis, 2020-09-17 Classical orthodoxy, the Reformational understanding of the gospel, and the Great Awakening beliefs and behaviors, including missions/missiology, reflect what the evangelical movement and its mission should be if it is to have a future. Evangelicals must work and pray together in resubmission of their ways of thinking and working to the Word and the ministry of the Holy Spirit. They must recover the faith of the fathers and the mission of the revivalists. Nothing less will rescue American missions from a marginal role. Nothing less will reinvigorate historic doctrine and get missions back on the track to world evangelization.

Human Making is Our Mission Abhijit Naskar, 2017-07-23 "There is nothing glorious about creating life out of passionate penetration. Even the animals can do that. The real glory comes when the life you create becomes the help in the lives of countless other humans." Parenthood is one of the greatest pleasures of human life, but also it is a great responsibility. In this piece of humanistic literature, one of the greatest thinkers of twenty-first century Abhijit Naskar calls upon the responsible parents of the world, and reveals to them the true potential of parenthood in building a conscientious human society. In his unique philosophical manner, Naskar opens up the inner realm of a child's brain and shows us how every single behavior of the parents contributes to the shaping of the child's character as well as identity, while warning us about the harms of over-parenting. Naskar boldly addresses all the parents of the world—"Human making is our mission, but if you break the very soul of the would-be humans, then there will be no human to raise."

Methodist Mission at 200 David Scott, Thomas Kemper, 2021-01-19 For more than 200 years, millions of Methodists have shared God's love with the world. Baked into the theological purpose of our mission is the compassion and

resolve to relieve human suffering by offering healing, hope, and holiness everywhere in the world. Millions of Methodist people on every continent persist in serving faithfully amid the tensions and challenges that cry out for transformation. This book tells the story of these global efforts, beginning with John Stewart's ministry among the Wyandotte Nation in America, and what Methodists have learned about God's mission along the way. This book also describes how United Methodist Global Ministries is living out these lessons of cooperation, humility, relationship, and practicing holistic mission. Together, Methodists pursue and promote personal, social, and cosmic transformation. Together, we work and live amid the tensions that enrich and expand our awareness of Methodist identity in God's diverse world.

Ordinary Lives Extraordinary Mission John R. Wood, 2012-12-15 These are difficult times for the Catholic Church and the United States of America. There is only one solution to the problems we face saints! Becoming a saint is a choice, and we must begin choosing the saint within each of us. The biggest crisis of our time is not economic, health care, or vocations, but is an identity crisis. We have forgotten our mission to become saints and forgotten our story as Catholics. We must rediscover that mission and hold each other accountable to accepting responsibility for that mission. We need heroic Catholicism. Everything we need to accomplish our mission is in the Church but the Catholic Church is a sleeping giant. It is time we wake the sleeping giant! This book is a five step guide to choosing the saint within you. The world doesn't need another John Paul II or Mother Teresa. The world needs you. Your ordinary life has an extraordinary purpose.

The Symphony of Mission Michael W. Goheen, Jim Mullins, 2019-09-17 This book argues that God's mission is broad and that all of us can live with missional intentionality by understanding the many facets of missions and focusing on a particular calling. Just like different instruments of a symphony harmonize together, each aspect of human participation in mission--evangelism, justice initiatives, poverty alleviation, faithful work in the marketplace, art--helps us play our part in God's work in the world. Combining expertise from a mission scholar and a working pastor, the book includes practical examples and tools to help readers imagine their part in God's mission.
