He also writes vividly about people he's known, places he's traveled to, books he's read, paintings he's seen; and he touches on more controversial subjects, such as assisted suicide and abortion. Even religion is there—the possibility of the existence of God, problems with some biblical texts, and the challenges involved in being a gay Catholic. *Rough Ideas* is an illuminating, constantly surprising introduction to the life and mind of one of our great cultural figures.
