The Love Diary of a Zulu Boy Bhekisisa Mncube,2018-04-01 The Love Diary of a Zulu Boy is by turns erotic, romantic, tragic and comic. Inspired by the real-life drama of a romance between a Zulu boy and an Englishwoman, the book consists of various interrelated short stories on interracial relationships in modern-day South Africa. As the author reflects on love across the colour line, it triggers memories of failed affairs and bizarre experiences: love spells, toxic masculinity, infidelity, sexually transmitted diseases, a phantom pregnancy, sexless relationships, threesomes and prostitution, to name but a few. A unique book for the South African market, The Love Diary of a Zulu Boy is written with an honesty rarely encountered in autobiographical writing.

A Companion to African Literatures Olakunle George,2021-03-22 Rediscover the diversity of modern African literatures with this authoritative resource edited by a leader in the field How have African literatures unfolded in their rich diversity in our modern era of decolonization, nationalisms, and extensive transnational movement of peoples? How have African writers

engaged urgent questions regarding race, nation, ethnicity, gender, and sexuality? And how do African literary genres interrelate with traditional oral forms or audio-visual and digital media? *A Companion to African Literatures* addresses these issues and many more. Consisting of essays by distinguished scholars and emerging leaders in the field, this book offers rigorous, deeply engaging discussions of African literatures on the continent and in diaspora. It covers the four main geographical regions (East and Central Africa, North Africa, Southern Africa, and West Africa), presenting ample material to learn from and think with. *A Companion To African Literatures* is divided into five parts. The first four cover different regions of the continent, while the fifth part considers conceptual issues and newer directions of inquiry. Chapters focus on literatures in European languages officially used in Africa -- English, French, and Portuguese -- as well as homegrown African languages: Afrikaans, Amharic, Arabic, Swahili, and Yoruba. With its lineup of lucid and authoritative analyses, readers will find in *A Companion to African Literatures* a distinctive, rewarding academic resource. Perfect for undergraduate and graduate students in literary studies programs with an African focus, *A Companion to African Literatures* will also earn a place in the libraries of teachers, researchers, and professors who wish to strengthen their background in the study of African literatures.

What begins as a personal narrative quickly cedes to a social archaeology, inviting the reader/listener on a homegoing journey in the backdrop of Cameroon's tottering democratic trajectory. Modulated with poetry and music, *The Radio* tunes in to diaspora, home, nation, education, existence, religion as well as Mbum popular culture, showcasing creative re-appropriation and re-mixing of global trends and icons in specific communities.

Black Girl Diary Lizzy Guaba, 2020-11-09 In a journey of self-discovery and of honoring self Miah Prescod, 18, standing in the ashes and empires of a dystopian world, picked up her pen and wrote the matters of her heart. *Black Girl Diary* shares the raw and unfiltered truth of what it's like to be a Black child in America, more specifically a Black girl. It explores themes of self-love, Miah's Blackness, and what it means to be both Black and woman. While she writes to affirm and inspire Black girls everywhere, Miah's writing is also an act of embracing herself. In a world that so rarely chooses Black girls for experiences that are not harmful, Miah Prescod has discovered that putting herself first, and choosing herself first, may be the act of self-love she'd been looking for all along. Perhaps, the only one she needs. Miah has recognized her divinity, stepped into her greatness, and is here to put the truth on the table. She hopes that her work as an author, and presence in her true, unfiltered form, will inspire Black people across the world, and remind Black girls of the power they hold. (Blurb so

Written Out Joel Cabrita, 2023-01-17 Systemic racism and sexism caused one of South Africa's most important writers to disappear from public consciousness. Is it possible to justly restore her historical presence? Regina Gelana Twala, a Black South African woman who died in 1968 in Swaziland (now Eswatini), was an extraordinarily prolific writer of books, columns, articles, and letters. Yet today Twala's name is largely unknown. Her literary achievements are forgotten. Her books are unpublished. Her letters languish in the dusty study of a deceased South African academic. Her articles are buried in discontinued publications. Joel Cabrita argues that Twala's posthumous obscurity has not developed accidentally as she exposes the ways prejudices around race and gender blocked Black African women like Twala from establishing themselves as successful writers. Drawing upon Twala's family papers, interviews, newspapers, and archival records from Pretoria, Uppsala, and Los Angeles, Cabrita argues that an entire cast of characters—censorious editors, territorial White academics, apartheid officials, and male African politicians whose politics were at odds with her own—conspired to erase Twala's legacy. Through her unique documentary output, Twala marked herself as a radical voice on issues of gender, race, and class. The literary gatekeepers of the racist and sexist society of twentieth-century southern Africa clamped down by literally writing her out of the region's history. *Written Out* also scrutinizes the troubled racial politics of African history as a discipline that has been historically dominated by White academics, a situation that many people within the field are now examining critically. Inspired by this recent movement, Cabrita interrogates what it means for her—a White historian based in the Northern Hemisphere—to tell the story of a Black African woman. Far from a laudable “recovery” of an important lost figure, Cabrita acknowledges that her biography inevitably reproduces old dynamics of White scholarly privilege and dominance. Cabrita's narration of Twala's career resurrects it but also reminds us that Twala, tragically, is still not the author of her own life story.

African Samurai Thomas Lockley, Geoffrey Girard, 2019-04-30 This biography of the first foreign-born samurai and his journey from Africa to Japan is “a readable, compassionate account of an extraordinary life” (The Washington Post). When Yasuke arrived in Japan in the late 1500s, he had already traveled much of the known world. Kidnapped as a child, he had ended up a servant and bodyguard to the head of the Jesuits in Asia, with whom he traversed India and China learning multiple languages as he went. His arrival in Kyoto, however, literally caused a riot. Most Japanese people had never seen an African man before, and many of them saw him as the embodiment of the black-skinned Buddha. Among those who were drawn to his presence was Lord Nobunaga, head of the most powerful clan in Japan, who made Yasuke a samurai in his court. Soon, he was learning the traditions of Japan’s martial arts and ascending the upper echelons of Japanese society. In the four hundred years since, Yasuke has been known in Japan largely as a legendary, perhaps mythical figure. Now African Samurai presents the never-before-told biography of this unique figure of the sixteenth century, one whose travels between countries and cultures offers a new perspective on race in world history and a vivid portrait of life in medieval Japan. “Fast-paced, action-packed writing. . . . A new and important biography and an incredibly moving study of medieval Japan and solid perspective on its unification. Highly recommended.” —Library Journal (starred review) “Eminently readable. . . . a worthwhile and entertaining work.” —Publishers Weekly “A unique story of a unique man, and yet someone with whom we can all identify.” —Jack Weatherford, New York Times–bestselling author of Genghis Khan
