**Eidi** - Bodil Bredsdorff 2009-10-13

Some years have passed since the Crow-Girl set off on a journey, met Eidi and her mother, Foula, along with a few others, and persuaded them to come live near the little cove where a brook runs out to the sea. But when Foula has another baby, Eidi feels there's no longer room for her in the settlement. So she leaves Crow Cove to make her own way in the world, hoping to help her old friend Rossan with his wool out on the heath. Fate, however, brings her to a harbor town where she must find work, and she takes a position as a weaver in the household of a wealthy merchant. In town, Eidi faces disturbing reminders of her past. She also meets a neglected boy named Tink and soon makes a decision that changes the course of both of their futures. The second book in the Children of Crow Cove series is beautifully written in Bodil Bredsdorff's spare style and will deeply satisfy fans of *The Crow-Girl* and new readers alike.

**Tink** - Bodil Bredsdorff 2015-05-05

We first met Tink when he came to live in Crow Cove as a young boy in Eidi. Now hard times have come to the little settlement, and their food supply is dwindling. Tink, with the help of a newcomer to Crow Cove, saves his friends from starvation by learning how to fish—and also learns important lessons about the complexities of human nature, the importance of compassion, and his own valued place in his community. Tink is a strong new addition to the much-acclaimed Children of Crow series.
