**15 Success Habits of Bishop David Oyedepo** Daniel C. Okpara,2016-07-30 In 2005, I resigned as a full-time pastor of a church and relocated to Lagos, Nigeria, with one mission in mind: To observe and study the life of Bishop David Oyedepo, resident Bishop of Faith Tabernacle, Ogun State, Nigeria, the Largest Single Church in the world, according to Guinness Book of Records What I share with you in this book is a summary of what I have learned from the life and ministry of Bishop Dr. David O. Oyedepo in this last 10 years. It's been a long journey, but suffice it say that I have enjoyed every bit of it. Like all men of great influence, Bishop Oyedepo, has been analysed in the public domain and given different names by different people. However, I believe that no man actually rises to the top by making mistakes. People only rise to the top by doing the right things over a long period of time. In this book, I share with you the success habits and secrets of one of the greatest leaders of Charismatic revival on earth today...Bishop David Olaniyan Oyedepo May we all fulfill the purpose for which we are born.

The Winning Wisdom David O. Oyedepo,1996

Godly Wisdom for a Pastor's Wife Oyenike Areogun,2012-09 ABOUT THE BOOK Godly Wisdom for a Pastor's Wife is a perennial best seller and healing balm for all the women that are married to pastors and ministers of God. As the pastor was called, so also the wife of the pastor is called to stand by her husband to fulfil the call of God upon his life. This book outlines from the Bible the sacrifices, work, and the development necessary to fulfil that role without losing out in the overall scheme that God is working on the earth through herself and her husband. This book is a must-read for every Pastor's wife and soon-to-be Pastor's wife. If your man is in any level of ministry, this book will make you a blessing of immense value in your generation.

*Marriage Covenant* Faith A. Oyedepo,1988 Perspectives are very important; and no institution has been as much a victim of negative perspectives as the marriage institution. However, in this re-edited and expanded edition, Mrs. Faith A. Oyedepo, a well known marriage counsellor, comes up with more insight into the marriage institution. Very convincingly, this book corrects all the wrong-headed views on marriage and concludes that: Marriage is Gold.However, like every precious metal,

time and other resources must be invested to dig it out. This book will heal your home of heartaches, fears and anxiety which have torn many marriages apart. You have in your hand a God-sent instrument to successfully build your marriage hitherto considered only a necessary evil.

Religion and the Making of Nigeria Olufemi Vaughan,2016-11-10 In *Religion and the Making of Nigeria*, Olufemi Vaughan examines how Christian, Muslim, and indigenous religious structures have provided the essential social and ideological frameworks for the construction of contemporary Nigeria. Using a wealth of archival sources and extensive Africanist scholarship, Vaughan traces Nigeria's social, religious, and political history from the early nineteenth century to the present. During the nineteenth century, the historic Sokoto Jihad in today's northern Nigeria and the Christian missionary movement in what is now southwestern Nigeria provided the frameworks for ethno-religious divisions in colonial society. Following Nigeria's independence from Britain in 1960, Christian-Muslim tensions became manifest in regional and religious conflicts over the expansion of sharia, in fierce competition among political elites for state power, and in the rise of Boko Haram. These tensions are not simply conflicts over religious beliefs, ethnicity, and regionalism; they represent structural imbalances founded on the religious divisions forged under colonial rule.

*Making Marriage Work* Faith A. Oyedepo,1997 God's original intent for marriage is enviable and imitable success. It was designed to work, not to hit the rocks, leaving its victims devastated and inconsolably heartbroken. But isn't that the story in our world today?In this book, Pst (Mrs.) Faith Oyedepo renews her effort to see homes all around the world witness unprecedented change and harmony. Unveiling tested secrets to making a marriage work, she passionately teaches that purposeful hard work is the only way to enjoy happily ever after.

**Towards Excellence in Life and Ministry** David O. Oyedepo,1992

*The Language of Faith in Southern Africa: Spirit World, Power, Community, Holism* Hermen Kroesbergen,2019-12-12 The aim of this book is to provide a way to do justice to an African language of faith. In systematic theology, anthropology and philosophy of religion, similar debates about how to interpret an African language of faith are ongoing. Trying to avoid the [othering] discourses of past generations, scholars are careful to take seriously what people in Africa say without portraying

people's beliefs as weird or backward. Yet, in their desperate attempts to avoid othering, these theologians, anthropologists and philosophers often painfully misconstrue the language of faith in Africa. Understanding the language of faith in Southern Africa is not an easy task. How should we take seriously the form of language that often seems so strange and different? I argue that, after African inculturation theology and black liberation theology, a better way to make sense of being a Christian in Southern Africa is to pay close attention to people's language of faith. The way in which people speak of the spirit world or powers in Africa appears strange to outsiders, and the sense of community and the holistic worldview differentiates the African way of life from its Euro-American counterparts. When proper attention is paid to the use of concepts like spirit world, power, community and holism, language of faith in Southern Africa is neither as strange as it may seem, nor as romantic. By investigating these distinguishing concepts that colour language of faith in Southern Africa, this book contributes to future projects of both fellow theologians who try to construct a contemporary African theology and those who are interested in theology in Africa given the well-known southward shift of the centre of gravity of Christianity.

*The Three Most Important Things* Apostle Joshua Selman, 2020-12-23 Not everything in your life produces the same effect as far as your destiny is concerned. God gave us 24 hours and it's full of several activities that can move us towards destiny but not all of them move us at the same level and not all of them carry the same gravity. It is very important we understand this. I think one of the wrong perceptions that our generation has is that we allocate equal time, equal priority and equal interest to everything and anything. Your time for play is equal to your of prayer. Your time of gisting is equal to your time of personal development. There must be a system of prioritizing your life and I want to show you the three most important things in a man's life in my opinion and supported by scripture. These three areas I want to show you today are worth dying for. Not everything is worth dying for. There are people who have died for nothing; there are people who have died the deaths of fool but it is important to know what is worth committing your energy, your time and your money. At the end of your life, there are only few things that will make your life count. Believe me when I tell you this. In the maze of several activities clamoring for your attention; the average young man is like a magnet attracting different things that need your attention in life and I have found out in my little experience and by the privilege of wisdom and mentorship and the word that in the end of your life, there are not more than four (4) or five (5) things that are worth living for. So, in our business; an attempt to make money, marry, serve God, grow ministries, expand, etc all of these things are important but a time must come in our life where we have to shut the door and ask ourselves what is really important? because many of us as I'll be showing you, if you don't know what is important you'll major on the minors and minor on the majors. Read this book and be Blessed
