Illegal Contact Santino Hassell,2017-08-15 The rules of the game don't apply off the football field in this steamy slow-burn M/M sports romance—the first book of the Barons series. New York Barons tight end Gavin Brawley is suspended from the team and on house arrest after a video of him brawling goes viral. Gavin already has a reputation as a jerk with a temper on and off the field—which doesn't help him once he finds himself on the wrong side of the law. And while he's been successful professionally, he's never been lucky when it comes to love. Noah Monroe is a recent college grad looking for a job—any job—to pay off his mounting student debt. Working as Gavin's personal assistant/babysitter seems like easy money. But Noah isn't prepared for the electrifying tension between him and the football player. He's not sure if he'd rather argue with Gavin or tackle him to the floor. But both men know the score, and neither is sure what will happen once Gavin's timeout is over...

Down by Contact Santino Hassell,2018-01-16 Two rival football players begin a game with higher stakes than the Super Bowl in this steamy romance from the author of *Illegal Contact*. Simeon Boudreaux, the New York Barons' golden-armed quarterback, is blessed with irresistible New Orleans charm and a face to melt your mama's heart. He's universally adored by fans and the media. Coming out as gay in solidarity with his teammate hasn't harmed his reputation in the least—except for some social media taunting from rival linebacker Adrián Bravo. Though they were once teammates, Adrián views Simeon as a traitor and the number-one name on the New Jersey Predators' shit list. When animosity between the two NFL players reaches a boiling point on the field, culminating in a dirty fist fight, they're both benched for six games and sentenced to joint community service teaching sullen, Brooklyn teens how to play ball. At first, they can barely stand to be in the same room, but running the camp forces them to shape up. With no choice but to work together, Simeon realizes Adrián is more than his alpha-jerk persona, and Adrián begins to question why he's always had such strong feelings for the gorgeous QB...

Use of Hands Santino Hassell,2018-09-18 Santino Hassell is writing football romance for a new generation.--NPR.org Rocky Swoops has a secret and only by leaving it all on the field can he become the football player and man he was always meant to be, in this contemporary romance by the author of *Down by Contact*. Rocky Swoops has been in hiding since he was

released from his contract with the New Jersey Predators. He's dedicated his entire life to becoming a professional football player, but now he's a free agent without prospects. He knows his reckless and harmful reaction to the sudden flood of out-and-proud football players is to blame. As someone who felt forced to erase his sexuality at a young age, the idea of acceptance is impossible to fathom... In an effort to clean up his public image, Rocky attends an LGBT benefit in the Hamptons. When he meets handsome mechanic, Case Bianchi, at the party, he can't hide his attraction. Case doesn't recognize him as an infamous athlete, and ends up drawing Rocky into a passionate kiss that he's too stunned to resist. Rocky is left on the beach with his heart pounding and head spinning. Unfortunately, Case was only interested in a distraction. But with a connection this intense, there has to be more to the story or it will be Rocky's biggest loss to date.

North Shore Santino Hassell,2018-04-16 Charles Jovanovic is known for being fun, loud, and a drama queen. That changes when he comes home after a six-month dancing gig on a cruise line and finds his boyfriend kissing a muscular tattooed stranger. He retreats into his Staten Island apartment and ignores the world . . . until he discovers that the man he'd found with his ex is his downstairs neighbor. Luis Ramos hates cheaters. He had no idea his near hookup had a boyfriend, let alone a boyfriend as gorgeous as sassy, leggy Charles. His guilt leads to frequent groveling, but Charles's wrath won't quit. As soon as Luis decides to back off, he catches Charles watching him practice one of his stripper routines. Luis jumps at the chance to make peace, and Charles can't resist an invitation to dance. Reluctant friendship turns to late-night dance sessions, intimate conversations, and flirtatious encounters in the dimly lit laundry room. Charles tries to ignore Luis's efforts to revive his dormant passions, but the sexual tension is undeniable. When Charles realizes he wants more than a rebound, he has to learn how to move past his jealousy and trust that Luis wants him, baggage and all.

Interborough Santino Hassell,2016-10-24 Can they overcome their differences to make it to happily ever after? The Raymond Rodriguez from a few years ago wouldn't recognize the guy he is today. He's left his slacker ways far behind him and is now juggling two jobs and school. But the balancing act doesn't allow much time for the man he loves. David is doing his best to be supportive, but problems at work and his own insecurity leave him frustrated -- in more ways than the obvious -

- whenever he goes to bed before Raymond gets home. The heat and affection between them is still there, but they barely have the time or energy to enjoy it. And it doesn't help that Raymond is still hiding David from his colleagues. The stress mounts so high that a vacation in paradise is filled with turmoil instead of harmony, and culminates on their return to the five boroughs with broken promises and heartache. They have to figure out how to stop allowing their differences to overshadow their love. It's the only way they'll make it to forever.

Strong Signal Megan Erickson, Santino Hassell, 2016 I was counting down the months until the end of my deployment. My days were spent working on military vehicles, and I spent my nights playing video games that would distract me until I could leave Staff Sergeant Garrett Reid behind. That was when I met him: Kai Bannon, a fellow gamer with a famous stream channel. I never expected to become fixated on someone who'd initially been a rival. And I'd never expected someone who oozed charm to notice me—a guy known for his brutal honesty and scowl. I hadn't planned for our online friendship to turn into something that kept me up at night—hours of chatting evolving into filthy webcam sessions. But it did. And now I can't stop thinking about him. In my mind, our real life meeting is perfect. We kiss, we fall into bed, and it's love at first sight. Except, like most things in my life, it doesn't go as planned. *Strong Signal is a standalone, full-length novel with no cliffhanger*

Fast Connection Megan Erickson, Santino Hassell, 2016 After a decade of serving in the Army, everyone still expects me to be Dominic 'Nicky' Costigan—the skirt-chasing player. They don't know I've been spending my days trying to figure out my post-military life. Including how to pick up guys. When I meet Luke on a hookup app, he makes it clear it's for one-night only. That's fine with me, because I'm down to see what this silver fox can do. But after I arrive at his doorstep, it doesn't take long to realize we have serious chemistry, and we end up meeting again. He's got more walls around his heart than a military base, but I think he's as addicted to me as I am to him. He can't resist me for long. I mean, who can? Except Luke's rules exist for a reason, and when I test his limits, things get complicated. Maybe too complicated. *FAST CONNECTION is a standalone, full-length romance novel with no cliffhanger*

Sutphin Boulevard Santino Hassell, 2015 A Five Boroughs Story Michael Rodriguez and Nunzio Medici have been friends for two decades. From escaping their dysfunctional families in the working-class neighborhood of South Jamaica, Queens, to teaching in one of the city's most queer-friendly schools in Brooklyn, the two men have shared everything. Or so they thought until a sweltering night of dancing leads to an unexpected encounter that forever changes their friendship. Now, casual touches and lingering looks are packed with sexual tension, and Michael can't forget the feel of his best friend's hands on him. Once problems rear up at work and home, Michael finds himself seeking constant escape in the effortless intimacy and mind-blowing sex he has with Nunzio. But things don't stay easy for long. When Michael's world begins to crumble in a sea of tragedy and complications, he knows he has to make a choice: find solace in a path of self-destruction or accept the love of

the man who has been by his side for twenty years.

Mature Content Megan Erickson,Santino Hassell,2017 My life plan is to be brutally honest all the way to the bank. Don't believe me? I run a popular YouTube channel called TrashyZane, and my claim to fame is oversharing about every aspect of my personal life. Sometimes while tipsy. Not everyone loves my style, but I have a long history of icing out people who can't handle me. I have no time for judgmental foolishness. Except, apparently, when it comes to Beau Starr. His channel is the polar opposite of mine, and so is he. Wholesome, inspirational, and clean-cut. Everything about him should turn me off, but when we hook up following a confrontation at a convention, my world flips upside down. Not only does Beau Starr turn me on, he uses the exact combination of dirty talk and roughness needed to turn me out. But we still hate each other. I think.

Hard Wired Megan Erickson,Santino Hassell,2017 My FallenCon agenda is simple: sit on a couple of panels and let people meet the real me. Jesse Garvy-mod of a famous Twitch channel and, if I ever come out of my shell, future vlogger. I definitely didn't plan to sleep with a moody tattooed fan-artist, but he's gorgeous and can't keep his hands off me. There's a first time for everything, and my first time with a guy turns out to be the hottest experience of my life. But the next day, I find out my moody fan-artist is Ian Larsen AKA Cherry-someone I've known online for years. And he'd known exactly who I was while shoving me up against that wall. Before I figure out whether to be pissed or flattered, the con ends.

Hollywood Highbrow Shyon Baumann, 2018-06-05 Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie art. Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

Just a Bit Obsessed Alessandra Hazard, 2019-09-06 Alexander Sheldon likes order and control in his life. He isn't happy when his girlfriend invites another guy for a threesome. Alexander believes in monogamy, and he's never been good at sharing his things. It doesn't help that Christian rubs him the wrong way from the beginning. But what starts as animosity turns into something else. Something unexpected and very wrong. He was never supposed to touch Christian. He was never supposed to feel possessive of the guy. And he most definitely wasn't supposed to want Christian more than he wants his girlfriend. It's a recipe for disaster.
