10X Kids Grant Cardone, 2022-04-20 10X Kids is based on multimillionaire, best-selling author, and philanthropist Grant Cardone's runaway bestseller, the 10X Rule, his #1 business education platform, Cardone University, and the Grant Cardone Foundation's E-Learning program, 10X Kids University. 10X Kids takes the same success principles he's taught to millions of entrepreneurs and Fortune 500 companies around the world and translates them into a short guidebook for kids of all ages. Get ready to learn how to unleash your imagination, control your mindset, get honest with yourself, and take massive action to get you where you want to go in every area of your life. With examples, activities, and Grant's signature style, 10X Kids teaches you how to: 10X your goals, 10X your money, 10X your action, 10X your resources, and 10X your influence.

The 10X Rule Grant Cardone, 2011-04-26 Achieve Massive Action results and accomplish your business dreams! While most people operate with only three degrees of action-no action, retreat, or normal action-if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of Massive Action, allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the Estimation of Effort calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the

exact formula to solve problems Extreme success is by definition outside the realm of normal action. Instead of behaving like everybody else and settling for average results, take Massive Action with The 10 X Rule, remove luck and chance from your business equation, and lock in massive success.

Be Obsessed or Be Average Grant Cardone,2016-10-11 From the millionaire entrepreneur and New York Times bestselling author of The 10X Rule comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to: · Set crazy goals—and reach them, every single day. · Feed the beast: when you value money and spend it on the right things, you get more of it. · Shut down the

doubters—and use your haters as fuel. Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

The Closer's Survival Guide Grant Cardone, 2015-12-16 The Closer's Survival Guide is perfect for sales people, negotiators, deal makers and mediators but also critically important for dreamers, investors, inventors, buyers, brokers, entrepreneurs, bankers, CEO's, politicians and anyone who wants to close others on the way they think and get what they want in life. Show me any highly successful person, and I will show you someone who has big dreams and who knows how to close! The end game is the close.

Sell Or Be Sold Grant Cardone, 2011 Shows that knowing the principles of selling is a prerequisite for success of any kind, and explains how to put those principles to use. This title includes tools and techniques for mastering persuasion and closing the sale.

The Millionaire Booklet Grant Cardone, 2016-06-16 I want to help you reach millionaire status, even get rich, if you believe that you deserve to be the person in the room that writes the check for a million dollars, ten million or even 100 million—let's roll.

If You're Not First, You're Last Grant Cardone, 2010-05-27 During economic contractions, it becomes much more difficult to sell your products, maintain your customer base, and gain market share. Mistakes become more costly, and failure becomes a real possibility for all those who are not able to make the transition. But imagine being able to sell your products when others cannot, being able to take market share from both your competitors, and knowing the precise formulas that would allow you to expand your sales while others make excuses. If You're Not First, You're Last is about how to sell your products and services—despite the economy—and provides the reader with ways to

capitalize regardless of their product, service, or idea. Grant shares his proven strategies that will allow you to not just continue to sell, but create new products, increase margins, gain market share and much more. Key concepts in *If You're Not First, You're Last* include: Converting the Unsold to Sold The Power Schedule to Maximize Sales Your Freedom Financial Plan The Unreasonable Selling Attitude

Social Selling Mastery Jamie Shanks, 2016-08-15 A concrete framework for engaging today's buyer and building relationships Social Selling Mastery provides a key resource for sales and marketing professionals seeking a better way to connect with today's customer. Author Jamie Shanks has personally built Social Selling solutions in nearly every industry, and in this book, he shows you how to capture the mindshare of business leadership and turn relationships into sales. The key is to reach the buyer where they're conducting due diligence—online. The challenge is then to strike the right balance, and be seen as a helpful resource that can guide the buyer toward their ideal solution. This book presents a concrete Social Selling curriculum that teaches you everything you need to know in order to leverage the new business environment into top sales figures. Beginning with the big picture and gradually honing the focus, you'll learn the techniques that will change your entire approach to the buyer. Social Selling is not social media marketing. It's a different approach, more one-to-one rather than one-to-many. It's these personal relationships that build revenue, and this book helps you master the methods today's business demands. Reach and engage customers online Provide value and insight into the buying process Learn more effective Social Selling tactics Develop the relationships that lead to sales Today's buyers are engaging sales professionals much later in the buying process, but 74 percent of deals go to the sales professional who was first to engage the buyer and provide helpful insight. The sales community has realized the

need for change—top performers have already leveraged Social Selling as a means of engagement, but many more are stuck doing random acts of social, unsure of how to proceed. Social Selling Mastery provides a bridge across the skills gap, with essential guidance on selling to the modern buyer.

The Science of Selling David Hoffeld, 2022-02-08 The Revolutionary Sales Approach Scientifically Proven to Dramatically Improve Your Sales and Business Success Blending cutting-edge research in

social psychology, neuroscience, and behavioral economics, *The Science of Selling* shows you how to align the way you sell with how our brains naturally form buying decisions, dramatically increasing your ability to earn more sales. Unlike other sales books, which primarily rely on anecdotal evidence and unproven advice, Hoffeld's evidence-based approach connects the dots between science and situations salespeople and business leaders face every day to help you consistently succeed, including proven ways to: - Engage buyers' emotions to increase their receptiveness to you and your ideas - Ask questions that line up with how the brain discloses information - Lock in the incremental commitments that lead to a sale - Create positive influence and reduce the sway of competitors - Discover the underlying causes of objections and neutralize them - Guide buyers through the necessary mental steps to make purchasing decisions Packed with advice and anecdotes, *The Science of Selling* is an essential resource for anyone looking to succeed in today's cutthroat selling environment, advance their business goals, or boost their ability to influence others. **Named one of The 20 Most Highly-Rated Sales Books of All Time by HubSpot

The Challenger Sale Matthew Dixon, Brent Adamson, 2011-11-10 What's the secret to sales success? If you're like most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, *The Challenger Sale* argues that classic relationship building is a losing approach,

especially when it comes to selling complex, large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and while all of these types of reps can deliver average sales performance, only one—the Challenger—delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers' expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth.

Way of the Wolf Jordan Belfort, 2017-09-26 Jordan Belfort—immortalized by Leonardo DiCaprio in the hit movie *The Wolf of Wall Street*—reveals the step-by-step sales and persuasion system proven to turn anyone into a sales-closing, money-earning rock star. For the first time ever, Jordan Belfort opens his playbook and gives you access to his exclusive step-by-step system—the same system he used to create massive wealth for himself, his clients, and his sales teams. Until now this revolutionary program was only available through Jordan's \$1,997 online training. Now, in *Way of the Wolf*, Belfort is ready to unleash the power of persuasion to a whole new generation, revealing how anyone can bounce back from devastating setbacks, master the art of persuasion, and build wealth. Every technique, every strategy, and every tip has been tested and proven to work in real-life situations. Written in his own inimitable voice, *Way of the Wolf* cracks the code on how to persuade anyone to do anything, and coaches readers—regardless of age, education, or skill level—to be a master sales person, negotiator, closer, entrepreneur, or speaker.

The Building Blocks of Sales Enablement Mike Kunkle, 2021-09-14 The Ultimate Sales Framework for Achieving Business Success Sales enablement is no longer the new kid on the block.

Having grown rapidly in recent years, it's now considered a best practice at many sales organizations. But there's little alignment across the sales profession on what sales enablement is or how to achieve it, nor is there a formalized strategy on what a sales enablement practice is or requires. In his new book *The Building Blocks of Sales Enablement*, sales enablement expert Mike Kunkle addresses these issues and presents a proven approach that both supports sales talent and achieves true business results. Kunkle lays out an easy-to-follow structure through the concept of building blocks, interconnected by systems thinking and supported by a consistent cadence of training, coaching, and content. Comprehensive and versatile, this book is for senior sales leaders and sales enablement leaders who are starting or evolving a sales enablement function as well as for struggling sales practitioners to use as a diagnostic tool and road map. Chapters detail how to use each building block, with reflective questions and guidance for creating your own analysis and tools. The book also includes a chapter on sales onboarding, separate chapters on how to integrate communication and support services, and recommended resources. Impactful sales enablement projects are basically change management initiatives in disguise. Use the building blocks framework to navigate challenges, measure successes, and determine a path forward to improving business outcomes.

10X Quotes Grant Cardone, 2014-07-26 The 10X Quote book is derived from *The 10X Rule, The Only Difference Between Success and Failure* by New York Times bestselling author and self made multimillionaire entrepreneur, Grant Cardone. The 10X lifestyle is one that calls for massive action towards greatness in all aspects of life. This quote book is a compliment to the original book and offers a daily boost of inspiration to continue along a path towards success.

What Works Robert Cornish, Wil Seabrook, 2012-12-12 Two weeks into a recession, business

partners Robert Cornish and Wil Seabrook started their company with two people, two laptops, a handshake, and an idea. They ignored the conventional wisdom that was burying their industry and forged their own path. Their mantra? Do What Works. Only three years later, the company, Richter10.2 Media Group, attained million dollar revenues and over 300 percent growth in one year. Today, it is one of the fastest growing small businesses in America with more than fifty employees, and debt-free, having never borrowed a penny. What Works is the blueprint to Richter's success. Now more than ever, the old models of how to start, promote, and run a successful business are no longer viable. What Works delivers real, applicable knowledge that will help you to grow your business and create the outcomes that you're striving for. What Works offers critical advice such as: Know Your Public: Focus all sales and marketing efforts only on companies and people that fit the audience you defined in the profile, which will dramatically drive growth as you direct your efforts to the people most likely to do business with you Measure by week and manage by week: Avoid catastrophes that would be hard to correct if you only measure quarterly Say No and Walk Away: Focus on distilling the deals that don't fully align with your goals, purposes, and policies And much more! What Works offers the opportunity to learn how a couple of successful entrepreneurs did it themselves. Gain an edge by getting inside information that you can put into action today. No fluff, no filler. Only what works.
