### **Science of Healing** Malachi Z. York,1993-06

*Ungodly* Bill Osinski,2007 *Ungodly* is the strange, shameful story of how a street kid declared himself a god and was thus granted immunity for a long career of crime. Dwight York, aka Imam Isa, Dr. Malachi Z. York, and Baba, among others, was so adept at playing the race and religion cards that, for 35 years he successfully trumped a series of politicians, prosecutors, police and school officials, academicians and journalists who might have, or should have, stopped him. So this is also the shameful story of how the fear of being politically incorrect, of being accused of practicing discrimination based on race and religion, silenced the majority and allowed the abuses to continue unabated, while young lives were destroyed.

**The Book of Light** Lucille Clifton,2023-08-29 With a powerful introduction by Ross Gay and a moving afterword by Sidney Clifton, this special anniversary edition of *The Book of Light* offers new meditations and insights on one of the most beloved voices of the 20th century. Though *The Book of Light* opens with thirty-nine names for light, we soon learn the most meaningful name is Lucille—daughter, mother, proud Black woman. Known for her ability to convey multitudes in few words, Clifton writes into the shadows—her father’s violations, a Black neighborhood bombed, death, loss—all while illuminating the full spectrum of human emotion: grief and celebration, anger and joy, empowerment and so much grace. A meeting place of myth and the Divine, *The Book of Light* exists “between starshine and clay” as Clifton’s personas allow us to bear the world’s weight with Atlas and witness conversations between Lucifer and God. While names and dates mark this text as a social commentary responding to her time, it is haunting how easily this collection serves as a political palimpsest of today. We leave these poems inspired—Clifton shows us Superman is not our hero. Our hero is the Black female narrator who decides to live. And what a life she creates! “Won’t you celebrate with me?”

**Soul Sacrifice** Ruby S. Garnett,2011-11-18 A shockingly true account of a woman living part of her teenage years and young adulthood as a Muslim wife and eventually became part of a 'Harem' inside of one of the most influential underground cults in the United States. Assuming the pen name of Ruby Garnett at the request of her family, the author recounts the circumstances that led her to eventually be enticed by the religious extremist dogma of one of the most charismatic, influential underground cult leaders Black America has seen since the likes of Father Divine... Garnett has a candidly-

intimate conversation with the reader about her state of mind from beginning to end. She wrote Soul Sacrifice for the children that came forward to let someone know about the sexual abuse they suffered at the hands of Nuwabian cult leader Malachi York. Despite the threats, harrassment and lack of support (from some of their own brainwashed parents), these brave survivors of abuse are the reason this story needs to be heard...

**My Infamous Life** Albert "Prodigy" Johnson, Prodigy (Musician), Laura Checkoway, 2012-02-07 A memoir about a life almost lost and a revealing look at the dark side of hip hop's golden era ... a story of struggle, survival, and hope down the mean streets of New York City --

**Dr. York - the Truth** DonVito Long, 2021-03-04 Dr. York - A Government targeted Messianic figure and product of UFO abductions as a Child, called of God to raise 144,000 purified Souls. Laboring day and night authoring over 500 Books, mastering the Languages, doing in-depth study of all the Scriptures and World Religions, he embarked on his mission to raise the Children of God. Relocating to Georgia after over 2 decades of Humanitarian works in New York he discovers that his own Tribal Members have falsely accused him of crimes by way of threats and money offered by the U.S. Government which leads to his arrest, conviction and sentence of 135 years at the most secure Prison in the World - ADMAX Florence, Colorado. Maintaining his innocence since his 2002 arrest, Dr. York wants the truth to be told about his innocence so that his name can be cleared and he can walk out a free man.

*Behold a Pale Horse* William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful

experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

**The Mind and the Market** Jerry Z. Muller,2007-12-18 Capitalism has never been a subject for economists alone. Philosophers, politicians, poets and social scientists have debated the cultural, moral, and political effects of capitalism for centuries, and their claims have been many and diverse. *The Mind and the Market* is a remarkable history of how the idea of capitalism has developed in Western thought. Ranging across an ideological spectrum that includes Hobbes, Voltaire, Adam Smith, Edmund Burke, Hegel, Marx, and Matthew Arnold, as well as twentieth-century communist, fascist, and neoliberal intellectuals, historian Jerry Muller examines a fascinating thread of ideas about the ramifications of capitalism and its future implications. This is an engaging and accessible history of ideas that reverberate throughout everyday life.

*Nuwaubian Pan-Africanism* Emeka C. Anaedozie,2019-12-03 This book examines the contemporary operational and theoretical parameters of Pan-Africanism and black nationalism in the post-civil rights era. It uses the Nuwaubian movement as a case study to explore this essential strand in African Diasporan history, culture, and tradition. The author argues that the Nuwaubian Nation, like their contemporaries such as the Nation of Islam, represents contemporary efforts of African descendants to dialectically and culturally fight oppression. He argues that unlike the classical Back to Africa movements, the contemporary ones do not seek to primarily relocate to Africa, but to go to Africa culturally and bring back Africa to the diaspora. This effort can be seen in the Nuwaubian attempts at unearthing and importing classical African traditions, mores, and values in their various communities across the United States, especially in Eatonton, Georgia. Their aim was to chart an identity for their adherents and inspire racial pride for people of African descent.
