**The Man of Many Faces** Yovan Christenson,Olafemi Olatula,Adafa Taharqa Nicol-El,2005-06-09 The Man of Many Faces is a revelation! Finally here is the most comprehensive and objective critique of the Nuwaubian movement, detailing the life and teachings of the man at the helm, Malachi Z. York. What this book does above all, is allow the reader to go on a journey through his life, examining in detail his philosophies and actions, enabling both supporters and detractors to arrive at their own conclusions. Available now, the most 'Groundbreaking' and thoroughly accurate investigation into the history of Dr. Malachi. Z. York & The Nuwaubian Nation of Moors, ever undertaken. African Journalists; Yovan Christenson & Olu Femi Olatula, have conducted almost 10 years of exhaustive research into the history and inner workings of the Nuwaubians and their Enigmatic leader Malachi York. Now for the first time, this book unveils the entire truth behind the man known by many names, and his extraordinary Movement, with over 500 pages of detailed Facts, Photographs, Illustrations & Diagrams.

Ungodly Bill Osinski,2007 Ungodly is the strange, shameful story of how a street kid declared himself a god and was thus granted immunity for a long career of crime. Dwight York, aka Imam Isa, Dr. Malachi Z. York, and Baba, among others, was so adept at playing the race and religion cards that, for 35 years he successfully trumped a series of politicians, prosecutors, police and school officials, academicians and journalists who might have, or should have, stopped him. So this is also the shameful story of how the fear of being politically incorrect, of being accused of practicing discrimination based on race and religion, silenced the majority and allowed the abuses to continue unabated, while young lives were destroyed.

The Book of Light Lucille Clifton,2023-08-29 With a powerful introduction by Ross Gay and a moving afterword by Sidney Clifton, this special anniversary edition of The Book of Light offers new meditations and insights on one of the most beloved voices of the 20th century. Though The Book of Light opens with thirty-nine names for light, we soon learn the most meaningful name is Lucille—daughter, mother, proud Black woman. Known for her ability to convey multitudes in few words, Clifton writes into the shadows—her father’s violations, a Black neighborhood bombed, death, loss—all while illuminating the full spectrum of human emotion: grief and celebration, anger and joy, empowerment and so much grace. A meeting place of myth and the Divine, The Book of Light exists “between starshine and clay” as Clifton’s personas allow us to bear the world’s weight with Atlas and witness conversations between Lucifer and God. While names and dates mark this text as a social

commentary responding to her time, it is haunting how easily this collection serves as a political palimpsest of today. We leave these poems inspired—Clifton shows us Superman is not our hero. Our hero is the Black female narrator who decides to live. And what a life she creates! “Won’t you celebrate with me?”

**Soul Sacrifice** Ruby S. Garnett,2011-11-18 A shockingly true account of a woman living part of her teenage years and young adulthood as a Muslim wife and eventually became part of a 'Harem' inside of one of the most influential underground cults in the United States. Assuming the pen name of Ruby Garnett at the request of her family, the author recounts the circumstances that led her to eventually be enticed by the religious extremist dogma of one of the most charismatic, influential underground cult leaders Black America has seen since since the likes of Father Divine... Garnett has a candidly-intimate conversation with the reader about her state of mind from beginning to end. She wrote Soul Sacrifice for the children that came forward to let someone know about the sexual abuse they suffered at the hands of Nuwabian cult leader Malachi York. Despite the threats, harrassment and lack of support (from some of their own brainwashed parents), these brave survivors of abuse are the reason this story needs to be heard...

*The Mind and the Market* Jerry Z. Muller,2007-12-18 Capitalism has never been a subject for economists alone.

Philosophers, politicians, poets and social scientists have debated the cultural, moral, and political effects of capitalism for centuries, and their claims have been many and diverse. *The Mind and the Market* is a remarkable history of how the idea of capitalism has developed in Western thought. Ranging across an ideological spectrum that includes Hobbes, Voltaire, Adam Smith, Edmund Burke, Hegel, Marx, and Matthew Arnold, as well as twentieth-century communist, fascist, and neoliberal intellectuals, historian Jerry Muller examines a fascinating thread of ideas about the ramifications of capitalism and its future implications. This is an engaging and accessible history of ideas that reverberate throughout everyday life.

*Nuwaubian Pan-Africanism* Emeka C. Anaedozie,2019-12-03 This book examines the contemporary operational and theoretical parameters of Pan-Africanism and black nationalism in the post-civil rights era. It uses the Nuwaubian movement as a case study to explore this essential strand in African Diasporan history, culture, and tradition. The author argues that the Nuwaubian Nation, like their contemporaries such as the Nation of Islam, represents contemporary efforts of African descendants to dialectically and culturally fight oppression. He argues that unlike the classical Back to Africa movements, the contemporary ones do not seek to primarily relocate to Africa, but to go to Africa culturally and bring back Africa to the diaspora. This effort can be seen in the Nuwaubian attempts at unearthing and importing classical African traditions, mores, and values in their various communities across the United States, especially in Eatonton, Georgia. Their aim was to chart an identity for their adherents and inspire racial pride for people of African descent.
