Monologues for Teens, 2008

Casa Valentina Harvey Fierstein, 2015-01-01 THE STORY: Nestled in the Catskills—1962's land of dirty dancing and Borscht Belt comedy—an inconspicuous bungalow colony catered to a very special clientele: heterosexual men who delighted in dressing and acting as women. These white-collar professionals would discreetly escape their families to spend their weekends safely inhabiting their chosen female alter-egos. But given the opportunity to share their secret lives with the world, the members of this sorority had to decide whether the freedom gained by openness was worth the risk of personal ruin. Based on real events and infused with Fierstein's trademark wit, this moving, insightful, and delightfully entertaining work offers a glimpse into the lives of a group of self-made women as they search for acceptance and happiness in their very own Garden of Eden.

The House of Blue Leaves John Guare, 1971 Artie Shaugnessy is a songwriter with visions of glory. Much to the chagrin of Artie's downstairs mistress, Bunny Flingus who'll sleep with him anytime but refuses to cook until they are married. On the day the Pope is making his first visit to the city, Artie's son Ronny goes AWOL from Fort Dix stowing a home made-bomb intended to blow up the Pope in Yankee Stadium. Also arriving are Artie's old school chum, now a successful Hollywood producer, Billy Einhorn with starlet girlfriend in tow, who holds the key to Artie's dreams of getting out of Queens and away from the life he so despises. But like many dreams, this promise of glory evaporates amid the chaos of ordinary lives.

When NBC announces a national competition to find the nation's next swing band sensation, Donny joins forces with a motley group of fellow veterans, and together they form a band unlike any the nation has ever seen. However, complicated relationships, the demands of the competition, and the challenging after-effects of war may break these musicians. But, when Donny meets a beautiful, young singer named Julia, he finds the perfect

My Second Impression of You Michelle I. Mason,2022-09-20 Perfect for fans of Tweet Cute and Instant Karma, this YA romcom is a heartfelt story about a girl who thinks she knows everything about love -- until she relives a day and discovers she had it all wrong. Sixteen-year-old Maggie Scott is a little dramatic. Both in the over-the-top sense and in the involved-in-every-possible-performing-arts-activity sense. Life is just more fun when you're always putting on a show! But apparently her boyfriend, Theo, disagrees, because he unexpectedly dumps her. She's so distressed she breaks her foot, has to be rescued by the most obnoxious boy in school, Carson, and can no longer star in the school play. Now everything is terrible and Maggie doesn't understand where it all went wrong. So when she gets a mysterious text from an unknown number offering her a chance to relive the day when she and Theo met, Maggie can't help clicking (even though she knows what they say about suspicious links and clicking). Suddenly, she finds herself transported from her worst day ever to her best day ever-but on second review, Maggie realizes there are some details she overlooked. Maybe she was so focused on starring in the

Maggie show that she didn't pay enough attention. Maybe Maggie doesn't know the people around her as well as she thought-particularly Carson. And maybe her worst day ever isn't quite as terrible as it seems. In this funny and relatable YA romcom, Michelle I. Mason explores how there's always another way of looking at the situations we find ourselves in . . . and sometimes the people we overlook end up being the best ones of all.

Every Day She Rose Andrea Scott,Nick Green,2022-05-31 After the Black Lives Matter protest at the 2016 Toronto Pride Parade, two friends find their racial and queer politics aren't as aligned as they thought, and the playwrights behind them must figure out how to write about the fallout. Cathy Ann, a straight Black woman, and her roommate Mark, a gay white man, came home from the parade with such differing views of what happened and how it affected their own

communities. Cathy Ann agrees with the protest that the police presence at the parade doesn't make her feel safe, while Mark felt safer with them there, especially in the wake of the Pulse nightclub shooting in Orlando. Frustrated he can't see the bigger issue, Cathy Ann questions if she can continue living with Mark. Simultaneously, playwrights Andrea and Nick--who share the same identities as their characters--pause throughout the show to figure out how to work together to tell the story of a significant turning point in a friendship. Through both sets of dialogue, *Every Day She Rose* is a powerful exploration of white supremacy, privilege, and patriarchy in supposed safe spaces.
