*The Standard for Program Management - Fourth Edition (Russian)* ,2018-12-25 The Standard for Program Management - Fourth Edition differs from prior editions by focusing on the principles of good program management. Program activities have been realigned to program lifecycle phases rather than topics, and the first section was expanded to address the key roles of program manager, program sponsor and program management office. It has also been updated to better align with PMI's Governance of Portfolios, Programs, and Projects: A Practice Guide.

**A Project Manager's Book of Forms** Cynthia Snyder Stackpole,2013-01-28 A compendium of ready-made forms for managing every project in line with the latest PMBOK® Guide—Fifth Edition This valuable companion to the Project Management Institute's A Guide to the Project Management Body of Knowledge (PMBOK® Guide)—Fifth Edition presents a comprehensive and practical set of forms and reports that help project managers apply the concepts and practices described in the PMBOK® Guide. Designed specifically to assist both new and experienced project managers in handling all aspects of a project, this edition of A Project Manager's Book of Forms contains forms that cover all the process groups: initiating, planning, executing, monitoring and controlling, and closing. It also includes some forms not mentioned in the PMBOK® Guide, which you will find helpful in managing your project. Use the forms as a guide in collecting and organizing project information, or as a template for ensuring a set of consistent data on all projects. The forms can also be adopted on an organizational level to enable a repeatable approach to project management. Completely editable electronic versions of all the blank forms, in Microsoft Office-compatible format, are available on an accompanying website. You may use them as is or tailor them to your own needs. The PMBOK® Guide covers the processes for managing a project; this book gives you a handy road map of forms to use to make every project just a bit smoother from start to finish. (PMBOK is a registered marks of the Project Management Institute, Inc.)

**A Project Manager's Book of Forms** Cynthia Snyder Dionisio,2017-11-21 Essential project management forms aligned to the PMBOK® Guide—Sixth Edition A Project Manager's Book of Forms is an essential companion to the Project Management

Institute's A Guide to the Project Management Body of Knowledge. Packed with ready-made forms for managing every stage in any project, this book offers both new and experienced project managers an invaluable resource for thorough documentation and repeatable processes. Endorsed by PMI and aligned with the PMBOK® Guide, these forms cover all aspects of initiating, planning, executing, monitoring and controlling, and closing; each form can be used as-is directly from the book, or downloaded from the companion website and tailored to your project's unique needs. This new third edition has been updated to align with the newest PMBOK® Guide, and includes forms for agile, the PMI Talent Triangle, technical project management, leadership, strategic and business management, and more. The PMBOK® Guide is the primary reference for project management, and the final authority on best practices—but implementation can quickly become complex for new managers on large projects, or even experienced managers juggling multiple projects with multiple demands. This book helps you stay organized and on-track, helping you ensure thorough documentation throughout the project life cycle. Adopt PMI-endorsed forms for documenting every process group Customize each form to suit each project's specific needs Organize project data and implement a repeatable management process Streamline PMBOK® Guide implementation at any level of project management experience Instead of wasting time interpreting and translating the PMBOK® Guide to real-world application, allow PMI to do the work for you: A Project Manager's Book of Forms provides the PMBOK®-aligned forms you need to quickly and easily implement project management concepts and practices.

Original.

**Construction Extension to the PMBOK® Guide** Project Management Institute, 2016-10-01 A Guide to the Project Management Body of Knowledge (PMBOK® Guide) provides generalized project management guidance applicable to most projects most of the time. In order to apply this generalized guidance to construction projects, the Project Management Institute has developed the Construction Extension to the PMBOK® Guide. This Construction Extension provides construction-specific guidance for the project management practitioner for each of the PMBOK® Guide Knowledge Areas, as

well as guidance in these additional areas not found in the PMBOK® Guide: \* All project resources, rather than just human resources \* Project health, safety, security, and environmental management \* Project financial management, in addition to cost \* Management of claims in construction This edition of the Construction Extension also follows a new structure, discussing the principles in each of the Knowledge Areas rather than discussing the individual processes. This approach broadens the applicability of the Construction Extension by increasing the focus on the “what” and “why” of construction project management. This Construction Extension also includes discussion of emerging trends and developments in the construction industry that affect the application of project management to construction projects.
