**The Hidden Power of Watching and Praying** Mahesh Chavda,Bonnie Chavda,2011-07-28 Much of today s church is powerless because it s prayerless. Prayer is the single most important ministry of the church, yet much of the church today is powerless because it is prayerless. The Lord has issued a renewed call to corporate fasting and intercessory prayer for the deliverance and healing of the nations in preparation for His return. Such a call requires: Sacrifice. Complete surrender to Christ. Dogged willingness to engage the enemy on the field of battle. Answering this call to battle is not for the faint of heart, but for those who truly want to make a difference for the Kingdom of God in their world. Jesus said to them, It is written, My house will be called a place for praying (Matthew 21:13, Great Book). Learn how you can access and demonstrate The Hidden Power of Watching and Praying.Your prayer life will never be the same as you are strengthened with the power of God as you pray.

*The Hidden Power of a Woman* Mahesh Chavda,Bonnie Chavda,2011-07-28 Women are searching for significance and status in our generation. There is a holy restlessness concerning purpose as much as the yearning for power. The Hidden Power of a Woman traces the tragedy in the garden where the woman seemingly lost and her garden to the modern day where women are still fighting to regain what they have lost. The authors, Bonnie and Mahesh Chavda, show how modern feminism and religion have both failed in the quest to restore women to their rightful place in our society. What is the

answer? The Chavdas show that her power, influence, and insight that was stolen in Eden and hidden for subsequent ages was returned back to her two thousand years ago when Christ cried out, It is finished! As the hidden power of God emerges in the woman who fully follows Christ, get ready for empowerment in the church, redemption in society, miracles in the body, and blessings on the human race unequal to any generation previous. The new thing God began when he made a woman as the crowning glory of his creation work and was lost in that same Garden will be restored once again

*The Hidden Power of the Blood of Jesus* Mahesh Chavda, 2011-07-28 In this pop Christian culture many believers have never been exposed to the great truths upon which the Church of Jesus Christ has been built. One of those forgotten truths is

the purpose and power of the blood of Jesus. We sing about it in our hymns, there is power in the blood, but few of us have experienced the reality of those words. Chavda carefully lays the foundation as he presents a refreshing look at the importance of the blood of Jesus in the life of the believer. **The Forgotten Power of Fasting** Sister Emmanuel, 2020-10-28 I read your book from cover to cover. Your words completely captivated me and have convinced me on the importance of fasting. I knew already the benefits of fasting, but I wasn't aware of all its attributes, that you explain so well. Reading this book one discovers fasting. As we know, Our Lady in Medjugorje continuously insists on the importance of fasting, but we avoid putting into practice something when it means we have to make a sacrifice. We struggle to convince ourselves to actually fast. The arguments you present, and the examples that you give in this book, show very clearly the reason why Our Lady insists so persistently on something so precious for the soul and the body, for the apostate on earth and for the souls in Purgatory. I thank you for emphasising such an important topic, very often mentioned in Sacred Scripture, so precious for the living and for the intercession of the dead. The final part of your work, with the words from the saints, will convince even the most reluctant. This book will be nothing less than a true discovery of fasting to whoever reads it. Don Gabriele Amorth

**Hidden Power of Speaking in Tongues** Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of 'speaking in tongues' in their book, They Speak with Other Tongues. The book was an immediate success as thousands were touched by the power of this spiritual gift. The Hidden Power of Speaking in

Tongues again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty, Chavda challenges the Body of Christ to experience afresh the secret dynamic of 'speaking in tongues', as he removes the veil covering this glorious gift.

But we don’t have to put up with it. It’s time to fight back! Fasting is God’s secret weapon against the enemy’s strongholds. The Jericho Fast guides readers through a 7-day fast to achieve breakthrough for the stubborn areas of their lives. The Hidden Life of Prayer David M. McIntyre, 1906

Secrets of the Lost Mode of Prayer Gregg Braden, 2016-07-26 Could our deepest hurts reveal the key to a powerful form of prayer that was lost 17 centuries ago? What can we learn today from the great secret of our most cherished traditions? There are beautiful and wild forces within us. With these words, the mystic St. Francis described what ancient traditions believed was the most powerful force in the universe – the power of prayer. For more than 20 years, Gregg Braden has searched for evidence of a forgotten form of prayer that was lost to the West following the biblical edits of the early Christian Church. In the 1990s, he found and documented this form of prayer still being used in the remote monasteries of central Tibet. He also found it practiced in sacred rites throughout the high deserts of the American Southwest. In this book, Braden describes this ancient form of prayer that has no words or outward expressions. Then, for the first time in print, he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs. Through case histories and personal accounts, Braden explores the wisdom of these timeless secrets, and the power that awaits each of us . . . just beyond our deepest hurt!
