*The Hidden Power of a Woman* Mahesh Chavda, Bonnie Chavda, 2011-07-28 Women are searching for significance and status in our generation. There is a holy restlessness concerning purpose as much as the yearning for power. *The Hidden*

Power of a Woman traces the tragedy in the garden where the woman seemingly lost and her garden to the modern day where women are still fighting to regain what they have lost. The authors, Bonnie and Mahesh Chavda, show how modern feminism and religion have both failed in the quest to restore women to their rightful place in our society. What is the answer? The Chavdas show that her power, influence, and insight that was stolen in Eden and hidden for subsequent ages was returned back to her two thousand years ago when Christ cried out, It is finished! As the hidden power of God emerges in the woman who fully follows Christ, get ready for empowerment in the church, redemption in society, miracles in the body, and blessings on the human race unequal to any generation previous. The new thing God began when he made a woman as the crowning glory of his creation work and was lost in that same Garden will be restored once again

**The Hidden Power of the Blood of Jesus** Mahesh Chavda,2011-07-28 In this pop Christian culture many believers have never been exposed to the great truths upon which the Church of Jesus Christ has been built. One of those forgotten truths is the purpose and power of the blood of Jesus. We sing about it in our hymns, there is power in the blood, but few of us have experienced the reality of those words. Chavda carefully lays the foundation as he presents a refreshing look at the importance of the blood of Jesus in the life of the believer. The Hidden Power of the Blood of Jesus is theologically sound but passionately written in a way that the reader will gasp for air as he discovers each new truth. Chavda will transform your thinking on the 'blood of Jesus' as he lifts it out of its stuffy theological setting and makes it practical in your life.

The Jesus Fast Lou Engle,Dean Briggs,2016-04-19 A Passionate, Prophetic Summons to Prayer and Fasting We are poised at a key moment in history. Amidst pain and chaos, we can turn the tide of evil in our lands. With excitement and profound insight, seasoned prophetic leader Lou Engle shows how: through bold faith and aggressive, passionate prayer and fasting. Here he equips you with the dynamic, practical tools you need to answer the call of countercultural consecration. Using Jesus as the role model, he reveals that 40 days of prayer and fasting always precede breakthrough, revelations of God's glory, breakage of demonic hindrances, and more. As we join together in fasting and intercession, we'll see victory in the critical issues of our day--and we'll awaken the nations for Christ. Global revival and transformation is imminent. Will you answer the call?

**Hidden Power of Speaking in Tongues** Mahesh Chavda,2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of 'speaking in tongues' in their book, They Speak with Other Tongues. The book was an immediate success as thousands were touched by the power of this spiritual gift. The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty, Chavda challenges the Body of Christ to experience afresh the secret dynamic of 'speaking in tongues', as he removes the veil covering this glorious gift.

**The Hidden Power of Watching and Praying** Mahesh Chavda, Bonnie Chavda, 2011-07-28 Much of today's church is powerless because it's prayerless. Prayer is the single most important ministry of the church, yet much of the church today is powerless because it is prayerless. The Lord has issued a renewed call to corporate fasting and intercessory prayer for the deliverance and healing of the nations in preparation for His return. Such a call requires: Sacrifice. Complete surrender to Christ. Dogged willingness to engage the enemy on the field of battle. Answering this call to battle is not for the faint of heart, but for those who truly want to make a difference for the Kingdom of God in their world. Jesus said to them, It is written, My house will be called a place for praying (Matthew 21:13, Great Book). Learn how you can access and demonstrate The Hidden Power of Watching and Praying. Your prayer life will never be the same as you are strengthened with the power of God as you pray.

**The Jericho Fast** Rhoda Faye Diehl, 2020-08-25 Do you feel stuck? Is there one area of your life that just won't change, no matter how hard you work, believe, and cry out to the Lord? When the enemy holds ground in one part of our life, it tends to consume most of our thoughts. That one area can cost us emotional health, quality relationships, and even the ability to enjoy life. But we don't have to put up with it. It's time to fight back! Fasting is God's secret weapon against the enemy's strongholds. Jesus even said that some evil spirits cannot be cast out except by prayer and fasting. That should tell us a lot about the power of this weapon—it's basically God's nuclear option. The Jericho Fast guides readers through a 7-day fast to achieve breakthrough for the stubborn areas of their lives. Minister and author Rhoda Faye Diehl expertly imparts wisdom and biblical truth throughout the book to help you overcome lies used by the enemy to erect walls in your life. She also provides strong encouragement and exhortation to help readers complete the fast and make it through to their victory. Are you ready for breakthrough? Are you ready for the walls to come down? Let's go!

The Power of Prayer and Fasting Ronnie Floyd, 2010 Popular pastor Floyd's insights on the often overlooked, always faith-strengthening discipline of prayer and fasting have been revised for this updated edition.

The Forgotten Power of Fasting Sister Emmanuel, 2020-10-28 I read your book from cover to cover. Your words completely captivated me and have convinced me on the importance of fasting. I knew already the benefits of fasting, but I wasn't aware of all its attributes, that you explain so well. Reading this book one discovers fasting. As we know, Our Lady in Medjugorje continuously insists on the importance of fasting, but we avoid putting into practice something when it means we have to make a sacrifice. We struggle to convince ourselves to actually fast. The arguments you present, and the examples that you give in this book, show very clearly the reason why Our Lady insists so persistently on something so precious for the soul and the body, for the apostate on earth and for the souls in Purgatory. I thank you for emphasising such an important topic, very often mentioned in Sacred Scripture, so precious for the living and for the intercession of the dead. The final part of your work, with the words from the saints, will convince even the most reluctant. This book will be nothing less than a true

discovery of fasting to whoever reads it. Don Gabriele Amorth

**Prayer and Fasting** Kingsley A. Fletcher,1999-02 Satan is having a field day, diverting the attention of God's people away from their Lord. The Enemy of our souls is so afraid of our unused power in God that he is trying to confuse us, individually and collectively. Through fasting and prayer, we can access that unused power and can be victorious.

According to him, all of the major evangelists began following his fasting regime and miracles erupted everywhere. Many observers of the early revival years agreed, as one said, Every one of these men down through the years followed Franklin Hall's method of fasting.

**God's Chosen Fast** Arthur Wallis,2011 Arthur Wallis offers this balanced study on fasting, and seeks to give to the subject the weight that Scripture gives it while also avoiding exaggeration and over-emphasis. This book includes a biblical index, and an appendix dealing with the textual problems surrounding four references to fasting in the New Testament.

**The Sacred Science** Nick Polizzi, 2018 In the work of documentary filmmakers, explains Nick Polizzi, one cardinal rule is never forget that your job is to document, not participate. But when Nick set out to explore the native outback of the Americas - meeting healers, shamans, and medicine women and tapping their well of ancient wisdom, nearly lost to the rest of the world - he had to bend that rule. As he found his way into highly sacred and often very private shamanic ceremonies, not participating ceased to be an option. Nick invites readers along on his journey of discovery to make indigenous knowledge of healing accessible to us all.
