Remembrance Meg Cabot,2016-02-02 Fifteen years after the release of the first Mediator novel, #1 New York Times bestselling author Meg Cabot returns with a deliciously sexy new entry to a fan-favorite series. Suze Simon—all grown up and engaged to her once-ghostly soulmate—faces a vengeful spirit and an old enemy bent on ending Suze's wedded bliss before it begins. You can take the boy out of the darkness. But you can't take the darkness out of the boy. All Susannah Simon wants is to make a good impression at her first job since graduating from college (and since becoming engaged to Dr. Jesse de Silva). But when she's hired as a guidance counselor at her alma mater, she stumbles across a decade-old murder, and soon ancient history isn't all that's coming back to haunt her. Old ghosts as well as new ones are coming out of the woodwork, some to test her, some to vex her, and it isn't only because she's a mediator, gifted with second sight. From a sophomore haunted by the murderous specter of a child, to ghosts of a very different kind—including Paul Slater, Suze's ex, who shows up to make a bargain Suze is certain must have come from the Devil himself—Suze isn't sure she'll make it through the semester, let alone to her wedding night. Suze is used to striking first and asking questions later. But what happens when ghosts from her past—including one she found nearly impossible to resist—strike first? What happens when old ghosts come back to haunt you? If you're a mediator, you might have to kick a little ass.

Haunted Meg Cabot,2005-01-01 For use in schools and libraries only. A story of supernatural fun and romance from the popular author of The Princess Diaries and All-American Girl.

Reunion Jenny Carroll,2001-07 Susannah Simon finds herself in over her head when she tackles the four ghosts of the star high school students who've been tragically killed in a car crash. They are lingering at the scene of a crime, seeking revenge on the geeky student whose car caused the incident, and they're not above attempted drowning -- of the geek or Susannah -- to even the score! And when Susannah befriends the geek to solve the case, telling herself that she could be saving a future Bill Gates, he turns out to be more like a future Son of Sam....

Proposal Meg Cabot,2016-01-19 The short story Mediator fans everywhere have been waiting years to read... a fun, fast-paced, never-before-read scene in which Suze Simon agrees to marry her no-longer-dead ghost boyfriend, Jesse de Silva! The last place Suze Simon expects to find herself during Valentine's Day is a cemetery. But that's what happens when you're a mediator—cursed with the “gift” of communicating with the dead. That's how Suze has ended up at the graves of a pair of

tragic young lovers. They're NCDPs—Non-Compliant Deceased Persons—whose drama didn't end with death. It's Suze's job to make sure they move on—for good. But the NCDPs aren't the only ones with problems. The reason Suze is spending her Valentine's Day with the undead instead of her boyfriend, Jesse, is because he's having so much trouble adjusting to life after death . . . not surprising, considering the fact that he used to be an NCDP himself, and now his girlfriend busts his former kind for a living. Can Suze use her mediating skills to propose a mutual resolution, and bring all these young lovers together, especially on the night Saint Valentine declared sacred to romance? Or will she end up alone—and possibly undead—herself?

An Avon Romance

Twilight Meg Cabot, 2008-08-11 Sixteen-year-old Suze Simon is a typical high school student except for the fact that she is a shifter who can mediate between the living and the dead, and she is in love with a ghost from the nineteenth century.

High Stakes David Peters, 1987

Ninth Key Jenny Carroll, 2001-02 There's no such thing as ghosts. At least, that's what the scientific community believes. High school sophomore Susannah Simon wishes she could agree. She's only lived in sunny California for two weeks, and already her life's a whirlwind of pool parties, excellent hair days, and new friends. Oh, yeah ... and her stepbrothers. But otherwise, things are going fab. Until the ghost of a dead woman shows up at her bedside, screaming and begging Suze to find Red and tell him that he isn't responsible for her death. Tracking down a murderer isn't exactly easy, especially when the clues that Suze pieces together lead straight to the father of Tad Beaumont, the cutest and richest boy in school ... and the first boy who's ever asked Suze out. Oops.

The Mediator #5: Haunted Meg Cabot, 2004-12-28 Suze is used to trouble, but this time she's in deep: Ghostly Jesse has her heart, but Paul Slater, a real flesh—and—blood guy, is warm for her form. And mediator Paul knows how to send Jesse to the Great Beyond. For good. Paul claims he won't do anything to Jesse as long as Suze will go out with him. Fearing she'll lose Jesse forever, Suze agrees. But even if Suze can get Jesse to admit his true feelings for her, what kind of future can she have with a guy who's already dead?

The Mediator #6: Twilight Meg Cabot, 2009-10-06 *Twilight* is the sixth and final book in the thrilling, romantic Mediator series, from the New York Times bestselling author of the Princess Diaries, Meg Cabot. Suze has gotten used to ghosts. She's a mediator, after all, and communicating with the dead is all in a day's work. So she certainly never expected to fall in love with one: Jesse, a nineteenth-century hottie. But when she discovers that she has the power to determine who becomes a ghost in the first place, Suze begins to freak. It means she can alter the course of history...and prevent Jesse's murder, keeping him from ever becoming a ghost—and from ever meeting Suze. Will Jesse choose to live without her, or die to love her? Don't miss the delightfully funny supernatural Mediator series, from New York Times bestselling author Meg Cabot.

Abandon (The Abandon Trilogy, Book 1) Meg Cabot, 2011-04-26 From #1 New York Times bestselling author Meg Cabot,

a dark, fantastical story about this world . . . and the underworld. Pierce knows what it's like to die, because she's done it before. Though she tries returning to the life she knew before the accident, Pierce can't help but feel at once a part of this world, and apart from it. Yet she's never alone . . . because someone is always watching her. Now she's moved to a new town, but even here, he finds her. Pierce knows he's no guardian angel, and his dark world isn't exactly heaven, yet she can't stay away . . . especially since he always appears when she least expects it, but exactly when she needs him most. If she lets herself fall any further, she may just find herself back in the one place she most fears: the Underworld.

The Mediator #6: Twilight Meg Cabot, 2005 Sixteen-year-old Carmel, California teenager Suze Simon is a typical high school student except for the fact that she is a shifter who can mediate between the living and the dead, and she is in love with a ghost from the nineteenth century.

Size 12 Is Not Fat Meg Cabot, 2009-03-17 Heather Wells Rocks! Or, at least, she did. That was before she left the pop-idol life behind after she gained a dress size or two -- and lost a boyfriend, a recording contract, and her life savings (when Mom took the money and ran off to Argentina). Now that the glamour and glory days of endless mall appearances are in the past, Heather's perfectly happy with her new size 12 shape (the average for the American woman!) and her new job as an assistant dorm director at one of New York's top colleges. That is, until the dead body of a female student from Heather's residence hall is discovered at the bottom of an elevator shaft. The cops and the college president are ready to chalk the death off as an accident, the result of reckless youthful mischief. But Heather knows teenage girls . . . and girls do not elevator surf. Yet no one wants to listen -- not the police, her colleagues, or the P.I. who owns the brownstone where she lives -- even when more students start turning up dead in equally ordinary and subtly sinister ways. So Heather makes the decision to take on yet another new career: as spunky girl detective! But her new job comes with few benefits, no cheering crowds, and lots of liabilities, some of them potentially fatal. And nothing ticks off a killer more than a portly ex-pop star who's sticking her nose where it doesn't belong . . .

The Mediator #1: Shadowland Meg Cabot, 2009-10-06 Shadowland is the first book in the thrilling, romantic Mediator series, from the New York Times bestselling author of the Princess Diaries, Meg Cabot. Suze is a mediator—a liaison between the living and the dead. In other words, she sees dead people. And they won't leave her alone until she helps them resolve their unfinished business with the living. But Jesse, the hot ghost haunting her bedroom, doesn't seem to need her help. Which is a relief, because Suze has just moved to sunny California and plans to start fresh, with trips to the mall instead of the cemetery, and surfing instead of spectral visitations. But the very first day at her new school, Suze realizes it's not that easy. There's a ghost with revenge on her mind...and Suze happens to be in the way. Don't miss the delightfully funny supernatural Mediator series, from New York Times bestselling author Meg Cabot.

Airhead (The Airhead Trilogy, Book 1) Meg Cabot, 2009-11-01 Meg Cabot expands her huge fan base with this slightly

darker, more mysterious novel - without losing any of her signature heart and humor. EM WATTS IS GONE. Emerson Watts didn't even want to go to the new SoHo Stark Megastore grand opening. But someone needed to look out for her sister, Frida, whose crush, British heartthrob Gabriel Luna, would be singing and signing autographs there-along with the newly appointed Face of Stark, teen supermodel sensation Nikki Howard. How was Em to know that disaster would strike, changing her, and life as she'd known it, forever?

Unfortunately, being a mediator makes hanging out like any normal teenager pretty hard. So Suze is hardly surprised when a fatal car accident wreaks havoc on her perfect summer. The spirits of four high-school students are hungry for revenge. And if Suze tries to protect their target, she might find herself involved in a nasty 'accident' of her own . . . Welcome to Little Bridge, one of the most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas and sizzling romance . . . And when she finds out Will won't even be on the island, there's no reason to refuse.
